Copies of each cited U.S. patent are not enclosed herewith. *See* Pre-OG Notice "Information Disclosure Statements May Be Filed Without Copies of U.S. Patents and Published Applications in Patent Applications filed after June 30, 2003 (signed 11 July 2003)".

The Examiner's attention is also directed to the commonly assigned application being filed concurrently herewith, as set forth on page 1, lines 5-8 of the specification. A copy of this application, marked "COPY" on the first sheet thereof, is enclosed for convenience of reference by the Examiner.

Additional background information is discussed in the specification under the heading "Background Information."

This Statement is filed solely for the purpose of complying with the pertinent rules of the Office and is not intended to be a substitute for an independent evaluation by the examiner of the art cited or an independent search by the examiner, and no representation of any nature is made or intended by the filing of this Statement.
